+254768410898

Nairobi, Kenya

Profile

Experienced Graphics Designer and Screen-Printing professional with a proven track record of delivering outstanding results. Proficient in Adobe Photoshop, Illustrator, InDesign and Lightroom. Skilled in digital photography and drawing. Adept at translating client's visions into impactful designs. Eager to expand my skill set and advance in the art industry. Committed to continuous learning and growth in the graphics and design field. Known for receiving outstanding feedback from clients, leading to numerous referrals and new opportunities. Passionate about collaboration and maintaining a detail-oriented approach to all projects.

Employment History

Graphics Designing as Freelancer

03/2024 – Present

As a freelance graphics designer, I have continued to expand my expertise and portfolio by collaborating with various clients to deliver bespoke design solutions. My commitment to continuous learning and interaction within the design community has fueled my personal and professional growth, enabling me to provide innovative and tailored graphic design services that meet and exceed client expectations.

Graphics Designer and Screen Printing at B&H Designs

01/2022 – 02/2024

During my time at B&H DESIGN, I specialized in creating visually captivating designs and overseeing the screen-printing process. I meticulously attended to client specifications, ensuring the accurate translation of their concepts into high – quality printed materials. My keen attention to detail and adaptability allowed me to consistently deliver exceptional results, garnering outstanding feedback and numerous referrals from satisfied clients.
